

Chennai 26 January 2009

Dear Mr. Paul,

This letter is to highly recommend to you
our driver, Unni
who took us from Cochi, through Kerala
and Tamil Nadu to Chennai. Driving
conditions were difficult. Unni is a
wonderful driver - very careful, patient
and skillful on the roads. We felt safe
and comfortable with him as our driver.

In addition to his excellent driving skills,
he is a fine, good person who was a
pleasure to be with. He took care of us
as if we were his family. When my
husband forgot his guidebook, Unni took
an hour train-ride back to the hotel
to retrieve it for him. He taught us many
things about India, pointing out many
sights of great interest. He was always
cheerful and patient.

It was a great pleasure for us to spend
two weeks with this wonderful man.
Thank you.
